MY BEST TEACHER

“Teaching is the profession that teaches all other professions.”

Teaching is an angelic profession. Teaching is the profession of saints, Prophets and sages GOD has regarded teachers as a light house that is responsible for betterment of whole generation.

“Parents bring up their children and teachers form their character.”

Mr.Muhammad Muneer Butt is my favorite teacher. I got a chance to meet with him when I was qualified for class 6th .He is our “English Teacher”. He possesses all the qualities of a good teacher.Moreover; He is a man of Principles. He is devoted man. When he feels students not taking interest in lesson he makes laugh.

“A teacher is like a candle, it consumes itself the way of others”

He is sincere to his students. He is very loving and kind. He brought great change in us.

“A good teacher can never be erased.”
