1st Position

MY BEST TEACHER

A person who teaches someone is called a teacher. All the Prophets of ALLAH were teacher.

He (PBUH) was also a teacher.

He (PBUH) said: "I am sent as a teacher in this world"

So, from saying, we can guess that what the dignity of a teacher in this world is. There are many teachers but my Best Teacher is Sir Salman. He teaches us Mathematics. His method of teaching is very easy. He makes difficult concepts of lesson, very easy for us to understand. He is very loving teacher. He prays five times a day. He is a punctual teacher. He has been teaching here for 17 years. He wears neat clothes. He always speaks politely. His favorite sections in Mathematics are Algebra and Ratio. He always advises us to be punctual, respectful, co-operative and kind. He advises us to be disciplined. He is 41 years old. May Allah bless him with health and long life. (Ameen)
