ROAD ACCIDENT

Road accidents are common in our country .They are occurred mostly due to lack of road sense, carelessness of the drivers and fast driving .Yesterday ,a very sad accident took place near our school. A car was coming after a bus. The car driver took the bus at full speed. Unfortunately a Tonga was coming from the opposite direction. The car driver could not see the Tonga Because the bus was before him . Both drivers tried their best to avoid each other but could not. The car collided with the Tonga. The passengers on Tonga were thrown out. One passenger died at the spot. The other passengers were injured badly. The Tonga had been broken into pieces. The horse was heart seriously. The occupants of the car were damaged badly. The police officer appeared at the scene. He began to write statements. The injured People were taken to the hospital. It was a very tragic accident.
