ESTABLISHMENT OF NEW BRANCHES OF D.P.S.

In order to provide quality education to the desirous students at their door step and to advance the cause and policy of the Government of Punjab for the attainment of EFA at affordable expense, the College administration has planned to establish its three branches at Wazirabad, Daska and Sambrial. The reason is that those students who come from Daska, Wazirabad and their adjoining areas may study near their residences. This will save their energy and precious time which they may devote to their studies on the other hand. In this way the seats falling vacant at the main campus at Gujranwala, will be offered to the prospective students of Gujranwala City who are currently facing great difficulty in admission due to non availability of seats.

The process to acquire land at these places has been started. Plots measuring 24 Kanals 08 Marlas at Wazirabad, 50 Kanals 02 Marlas at Daska and 83 Kanals 12 Marlas at Sambrial have been marked for the purpose and it is hoped that in the near future Quaid-e-Azam Divisional Educational Trust, Gujranwala will get possession of these plots from the concerned authorities after completion of all codal formalities.

As soon as the College Management gets position of these plot construction of purpose built campuses will start.
